

### METHODOLOGY AND ENGLISH LANGUAGE FOR KINDERGARTEN TEACHERS

Course dates  
7 July - 20 July

Course fees  
£1365

Course location  
University of Kent

#### Target audience

Non-native and native teachers of very young learners (VYL aged 3-6)

Non-native primary school teachers who need to teach English to very young learners

**You will need at least an elementary level of English (A2)**

#### Course summary

The course is for teachers of very young learners who need to improve their own ability and confidence in their use of English while at the same time developing their teaching skills for this specific age group.

The course is practical and includes participating in activities designed for the Kindergarten and other pre-primary contexts. This approach enables course participants to experience the methodology from the very young learner's perspective.

This course also provides a large amount of English practice throughout.

#### Course content

Methodology for teaching English to very young learners (ages 3-6)

Addressing the specific challenges of meeting the needs of very young learners

Classroom management skills

Imitation and 'learning by doing' - chants, songs, rhymes, storytelling and creative activities for the classroom
