# Finding your way around the campus

## Dear Guest

Along with all the staff of Kent Hospitality, I would like to extend a very warm welcome to you and hope that you have a truly memorable stay with us.

The University of Kent campus is the ideal location to enjoy the tranquillity of the Kent countryside. In contrast to this, the campus overlooks the magnificent, bustling city of Canterbury which is steeped in history and culture. With its large open spaces, the campus is a haven for wildlife and you will find that you are sharing it with ducks, rabbits, squirrels and rare birds! Staying at the University will really give you the chance to experience the best of both worlds.

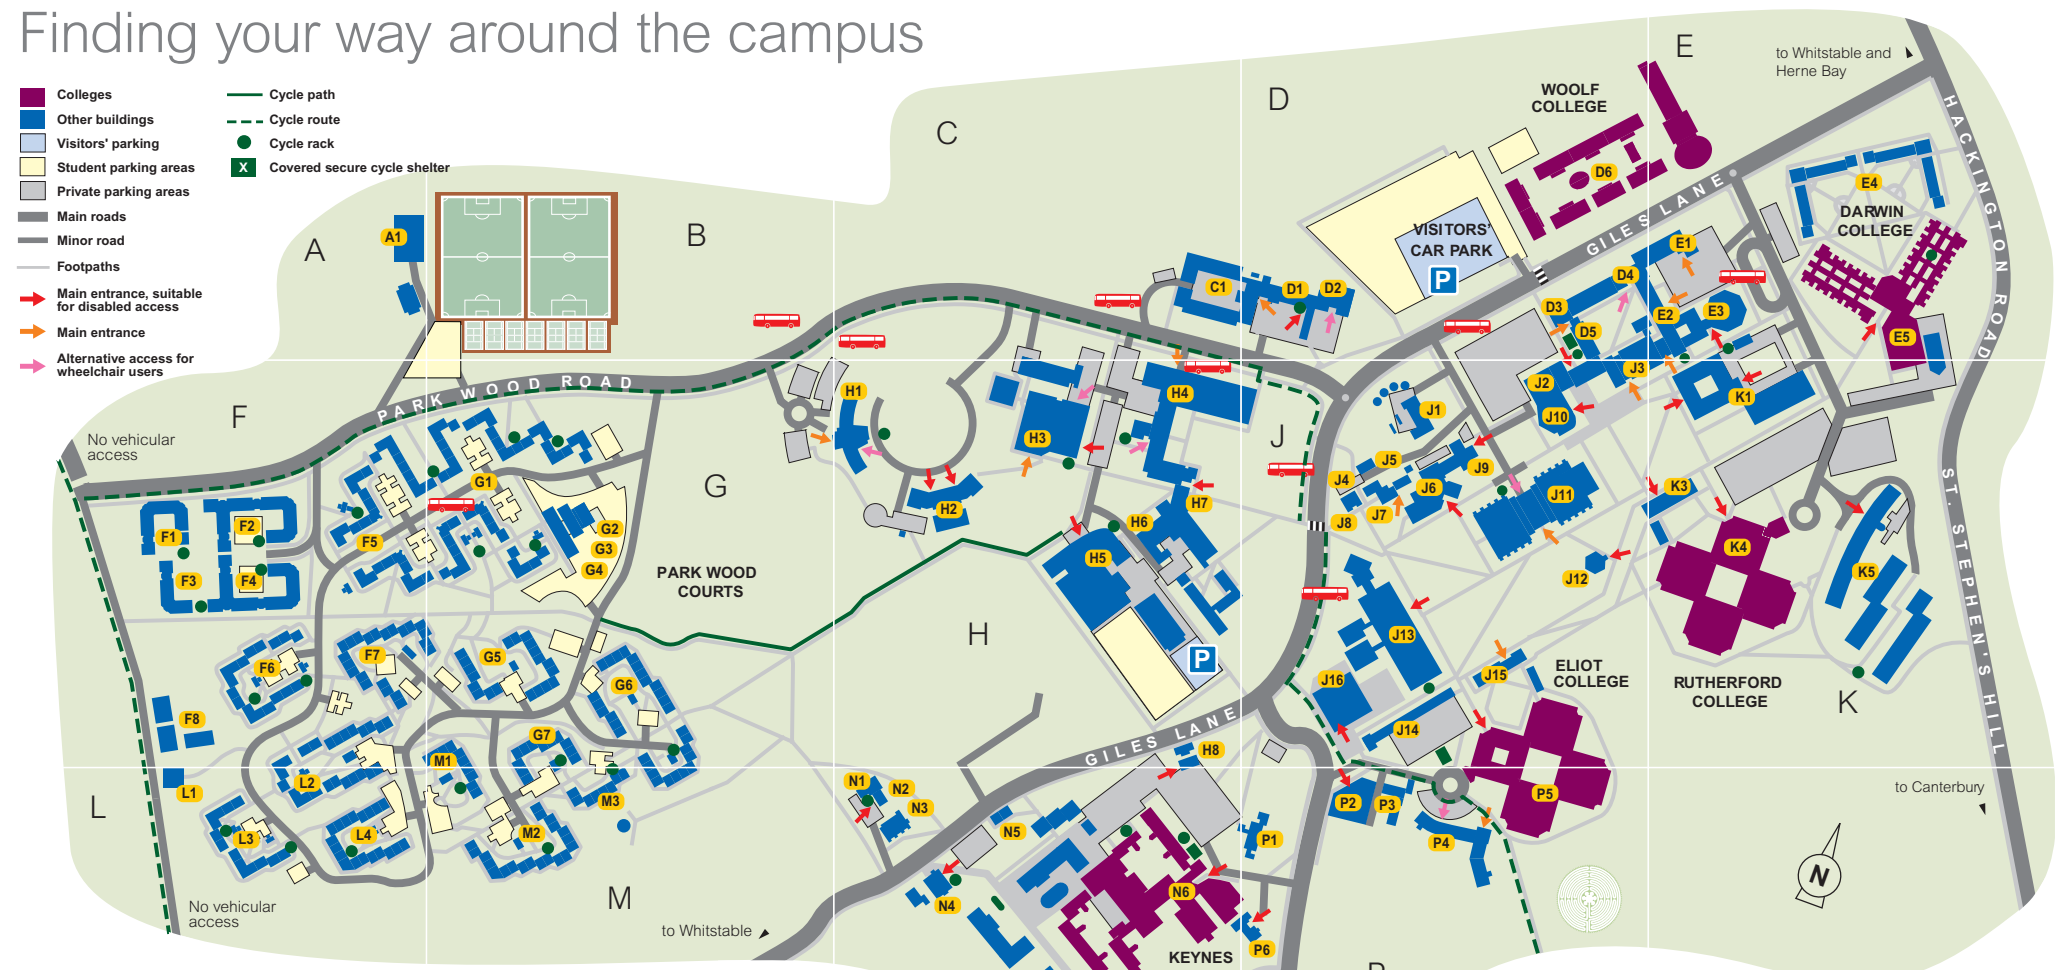

This guide aims to provide all the information that will help to make your stay as comfortable and enjoyable as possible. However, if there are any questions we have not answered, our receptionists look forward to assisting you with any queries you may have.

With very best wishes
