

### Flip Mastery: Igniting Learning Through Flipped Classroom Experience

#### COURSE DATES

July 7th - July 13th

#### FEES

Course 955 €

Accommodation 390 €

#### COURSE LOCATION

Segovia, Spain

### Target Audience

Teachers of the secondary.

You will need an intermediate level of English (B1 or above) to participate in this course.

### Course summary

This 22,5-hour course provides educators with a comprehensive understanding and practical skills for implementing the flipped classroom model over five intense days. Participants will explore the theoretical foundations, design engaging content, harness technology tools, and cultivate active learning strategies. The program addresses challenges, encourages peer collaboration, and equips educators with the tools to create a dynamic and student-centered learning environment. Upon completion, participants will possess the knowledge and actionable plans needed to successfully integrate the flipped classroom approach into their teaching practices. The course is addressed to teachers of all levels interested in change.

### Course objectives

- Understand the theoretical foundations of the flipped classroom model and its implications for teaching and learning.
- Design engaging and relevant content tailored for the flipped classroom environment.
- Utilize technology tools effectively to enhance instruction and student engagement.
- Foster active learning strategies that promote deeper understanding and critical thinking skills.
- Collaborate with peers to address challenges and exchange best practices in implementing the flipped classroom model.
- Develop actionable plans for integrating the flipped classroom approach into teaching practices.
- Upon successful completion of the course, participants will receive a certificate of completion, affirming their knowledge and skills in implementing the flipped classroom model.
