

ADVANCED NLP AND COACHING FOR THE ENGLISH CLASSROOM

Course dates

4 August - 17 August

Course fees

£1435

Course location

University of Kent

This course is liable for VAT

Target audience

Teachers of English, especially from secondary level and above. Teachers of other subjects such as maths, physics etc conducted in English, Teacher trainers, Educational psychologists, Academic managers and those with a management of people responsibility such as school owners and principals.

You will need an advanced level of English (C1 and above) to participate on this course.

You will have either attended the NLP and Coaching course at Pilgrims or have a recognised NLP or coaching experience and qualification from elsewhere.

Course summary

This course aims to focus on new skills and practices to educators wanting to improve their ability and confidence in teaching at its highest level.

Because of attending this course participants will be more empathetic teachers and more effective communicators. You will enhance your ability to make a difference and accelerate the development of your classes, teams and projects.
