University of Kent

University of Kent

University of Kent

Target audience

Non-native teachers of young learners
(ages 7-12)

Non-native primary school teachers
who are converting to teaching
English

**You will need at least an elementary
level and above of English (A1+/A2
and above; not beginner – A1)**

Course summary

The course is for teachers of young learners who need to improve their ability and confidence in their use of English and develop their teaching skills for young learners.

This course is practical. By 'doing' activities designed for the primary classroom, you will experience the methodology from the young learner's perspective.

The course is both a language improvement and a methodology course throughout.

Course content

Teaching the four language skills: listening, reading, writing, speaking

Creative activities for young learners

Classroom management skills; language for the classroom

Chants, rhymes, songs, storytelling, drama and music

Using communicative learning activities in primary teaching contexts

Pronunciation work (through children's songs and rhymes)

Work on grammar and vocabulary

Building confidence in teaching in and through English - particularly through drama activities

Elements of CLIL and Task- Based Learning

Teaching and developing thinking skills

Multiple Intelligence in primary teaching

Adapting text book materials to create more dynamic lessons and materials development
